

**FIDV — FRIENDS OF ISRAEL DISABLED VETERANS — BEIT HALOCHEM**

Serving Israel's Disabled Veterans and Victims of Terror

## *Philanthropy is Your Legacy: Help Save a Life in Israel*

Dear Friend of FIDV,

Some were injured while liberating the Negev in 1948, others as recently as July 2014 in Gaza during Operation Protective Edge. These men and women, the brave heroes who have defended Israel, are our responsibility – we must ensure their rehabilitation, recovery, and reintegration into society as a whole.

This is where Friends of Israel Disabled Veterans steps in. We are here to help guarantee that Beit Halochem will continue to serve the 50,000+ veterans and victims of terror in our rehabilitation centers in Tel Aviv, Jerusalem, Haifa and Beer Sheva. We also look forward to establishing a fifth state-of-the-art center in Ashdod, which will serve wounded veterans and victims of terror attacks who live in Southern Israel.

**Philanthropy is your legacy. Consider making a legacy gift to provide for the future of Beit Halochem: it will go a long way toward protecting those who have protected Israel and her people.**

The bond created among the wounded veterans at Beit Halochem transcends units and forces. The color of the beret no longer matters. *"We were shown that we have a strong united nation, tiny on the map, but with the biggest strength there is,"* several new veterans at Beit Halochem Tel Aviv agreed. *"We want to thank everyone at Beit Halochem. That is it."*

There are many ways to provide for FIDV-Beit Halochem. Among the gift options you might consider are bequests in your will or a living trust, beneficiary designation on your retirement plans or life insurance, or naming FIDV-Beit Halochem as a beneficiary on bank or brokerage accounts.

Consider becoming a Founding Member of our Warrior Legacy Society/ Moreshet Lochamim by making a planned gift to FIDV-Beit Halochem. If you have already designated FIDV-Beit Halochem in your estate plans, please let us know so we can thank you! If you have not yet planned a legacy gift, now is the time to take action by joining our Warrior Legacy Society. Planned giving truly helps Beit Halochem continue to care for each hero who needs us.

**By leaving a gift to FIDV-Beit Halochem, you are building an enduring legacy. Through your will, or a legacy gift, you will let our wounded heroes know that they are not alone.**

The true beneficiaries of your legacy gift will be the men and women who serve Israel so valiantly. They and their families will forever be grateful.

Thank you for your friendship and support,

Ella Levine
