

# FUNDING OPPORTUNITIES AT BEIT HALOCHEM

**FOR THESE DISABLED VETERANS, THE BATTLE IS NOT OVER. WITH YOUR HELP, THEY CAN WIN.**

Beit Halochem centers in Israel offer rehabilitation therapies, equipment, facilities and psychological support to Israel's war disabled. These heroes face a long and difficult battle, – the battle for their own rehabilitation.

At the Centers, disabled veterans rehabilitate as they learn and enjoy sailing, basketball, swimming and other sports, ceramics, painting, wheelchair dancing, sculpture, woodworking, and much, much more.

FIDV is committed to providing the much-needed funding for the Centers so that Israel's disabled war veterans will receive what they truly deserve: the chance to lead a productive and fulfilling life.
